

The Indio Youth Task Force was established in October of 1994 for the distinct purpose of connecting families, schools and the community, through youth programs and projects that will develop positive attitudes, foster self-esteem, promote the pursuit of excellence, and establish lifelong habits of civic participation. Since it's inception, the Indio Youth Task Force has networked with over forty resources including; education, businesses, media, parents, law enforcement and religious organizations.

The Mission of the Indio Youth Task Force is to foster extensive networking with several county agencies, youth organizations and services provided for the purpose of Juvenile Intervention and Education.
